Rachael -

Your February 4, 2014 message (see below) to Melissa Linden was forwarded to me for a response.

I have attached a summary document that I hope you will find helpful with regard to your inquiry. Please note that the authorities included in the summary may not be exhaustive and that EPA is continuing to evaluate all facts and applicable law and regulations. If you have any questions, please call Suzanne Parent, a Branch Chief in our Office of Regional Counsel, at 215-814-2630 or me at 215-814-2496.

Thank you –

Subject: Freedom Industries questions

Hi Melissa,

I met you here in Charleston, WV during the Freedom Industries leak. Dennis gave me your email.

I wanted to follow up with you about the EPA regulations that Freedom had to comply with--- I'm trying to understand what was in place at the time of the incident. You and I were discussing this briefly with Raj (sorry if I misspelled this).

Do you have time to talk over the phone? Email works as well.

Thank you,

Rachael Gunaratnam
